There's no doubt shopaholics are going to love Indooroopilly's latest project – Westside Indooroopilly.

From the residential complex, it takes just seven minutes on foot to reach the entry of Indooroopilly Shopping Centre's Myer store.

Lachlan Walker from Place Projects said Westside Indooroopilly featured 119 units, with one-bedroom units (no car) starting from \$356,000. Mr Walker said sales were "going well", with 45 apartments left to sell. "We've really had a mix of buyers," he said. "From investors, interstate buyers, locals and owner-occupiers, we've had lots of interest."

Mr Walker said there was a lot of interest from locals looking to upgrade to an apartment at Westside Indooroopilly. "There's everything right here in this suburb, from a large shopping precinct to a university," he said.

"It's all about the area." Mr Walker said the location allowed for views overlooking Mt Coot-tha, the Brisbane River and Indooroopilly Golf Course. A display suite is at 366 Moggill Rd, Indooroopilly.
