

An aerial photograph of a residential development. In the foreground, a row of modern, two-story houses with white and light blue facades and gabled roofs is visible. They are situated along a road. Behind them, a larger, multi-story apartment complex with a grey facade and many windows stands. To the left of the houses, a river flows through the landscape. The background features a dense residential area and distant mountains under a cloudy sky. The text 'Stage Four' and '13 NELSON AVE' is overlaid on the image, with a vertical line pointing to the houses.
